

Our '3M Solution'

The EDGE196™ methodology offers more than just funding to successful startups. It is an entire ecosystem dedicated to helping them achieve success, with mentoring, advice and global market access.

EDGE196™ adds tremendous value to startups via the global experts who make up the EDGE196™ community.

MONEY

We receive investment funding through our sophisticated investor network, which allows portfolio companies to receive funding from a single source.

MENTORSHIP

We provide access to our preselected network of mentors with expertise in law, finance, technology, research, marketing, training, leadership, process, compliance, and quality systems.

MARKET ACCESS

We provide assistance with a ready-made marketplace where deals get approved, products and solutions are validated, partnerships are forged, and results are delivered.
